Re: Standard Scrap/Chicago International Exporting Site  
Chicago, Illinois

Dear Mr. Faryan,

On July 31, 1995 you faxed to our clients a letter demanding a notification of intent to comply with the Access Order no later than August 2, 1995. You also state that U.S.EPA intends to begin a response action on August 7, 1995 which is in effect an action to dispose of our client's products.

As Mr. Lindland and Mr. Books have been told, Joe Nassif is out of the office this week and will be unavailable until August 7, 1995. Despite EPA's awareness of the unavailability of Mr. Nassif, it has made the present demand. Our client can not give you any response on your demand until Joe gets back in St. Louis. You certainly knew this when you wrote the letter.

Thus, you will receive our client's response to your demand sometime on or shortly after August 7, 1995.

Sincerely yours,

Linda W. Tape
